URETHANE CUTOUT KNIVES

THE ORIGINAL PIPEKNIFE®

CALL 303-232-8788
VISIT www.pipeknife.com

Invented in 1987, the PipeKnife® was the first commercialized cutout knife. The PipeKnife® safely allows AGR technicians to reach tight spaces between the dash and glass or used as a urethane trimming tool.

THE ORIGINAL PIPEKNIFE®

Still the most popular design, the round-handle is available in 14" and 18" lengths.

- Blade storage in handle
- Insert ½" conduit to add custom length
- Add ScrewCaddy for extra screws & bits

Private Handle Label & Colors

Handle Colors available

Universal blade cover is used on all PipeKnife® tools.
P/N: RSNS

P/N: OPK

14"

P/N: PKXL

18"

Extra tool storage compartment in handle

Aluminum Knives

P/N: PKPKT9
P/N: PKPKT14
P/N: PKPKT18
P/N: PKPKT24

Flat handle knives are made from aluminum or steel bar for heavy-duty jobs. Handles are made from soft rubber for ergonomic gripping. (Steel Knives Not Shown)

ScrewCaddy

The ScrewCaddy holds extra screws and bits and fits into the handle of the PipeKnife®
P/N: SCREWCADDY

Pivot Head Tool

Pivot Head tool for use in tough to reach spots (14 and 18 inch)

P/N: PHPK14
P/N: PHPK18

QUICK BLADE CHANGE KNIVES

PRESTO!™ PipeKnife®

Presto™ PipeKnife® is our Quick-Blade-Change cutout knife. Just lift tab to replace blade.

Available in 9, 14, 18, 24-inch lengths

P/N: PPK9 P/N: PPK18
P/N: PPK14 P/N: PPK24

PipeKnife-QC™

QC for Quick Change - The PipeKnife-QC™, is 1/8" thick making it one of the thinnest cutout knives on the market. Use the specially designed T-SLOT Blade to securely lock in the blade or use standard two-notch utility blades. P/N: PKQC

COLD KNIVES

REID COMPANY COLD KNIVES and BLADES

The REID Company was the inventor of the standard cold knife and blades. The PipeKnife Company® acquired the line several years ago and continues to manufacture these popular and legacy tools.

QUICK RELEASE COLD KNIVES

Simply push button on back to release blade. The RK-500 and the thinner QC-200 make blade changes quick and easy.

P/N: QC-200 Quick Release Cold Knife

P/N: RK-500 Quick Release Cold Knife

STANDARD COLD KNIVES

P/N: RK-160
Industry Standard

P/N: RK-160 Shorty
Perfect for tight spaces

The **Power Advance Cold Knife** is an ergonomic tool that virtually eliminates pitch and twisting issues associated with standard cold knives. The unique design allows the user to push or pull, operate with one-hand and eliminates the common "death grip" when using a standard cold knife.

Invented in 1987, the Original Pipeknife® was the first commercialized urethane cutout / long knife tool. Current owner Dell Skluzak purchased the patent and equipment in 1993, starting a family of brands with over a 1,000 parts of unique auto glass removal products and accessories.

Today the PipeKnife® Company includes REID Cold Knife Tools and Blades, VaccuFlex, the VD-K Tool line of Quick Set tools and accessories, Frost Fighter Window Defrosting Repair Systems and Kits, and Arctic Warmer Urethane Warming Bags.

The PHC Inc. Brand of products is one of the largest manufacturers of auto glass removal tools and accessories. We sell worldwide to distributors in the AGR market.
